

## America's Farmers Grow Communities Project Share the link

In order to help create awareness for the America's Farmers Grow Communities Project Program, contact your webmaster and follow these simple steps below to drive traffic opportunities to the [www.growcommunities.com](http://www.growcommunities.com) website.

### Step 1 --

Identify the place on your website that you would like the America's Farmers Grow Communities Project logo to be seen, and add the following snippet of code (adjust relative to your own file structure & naming convention):

```
<a href="http://www.monsanto.com/growcommunities/default.asp"
target="_blank"></a>
```
